2013 Leadership Conference Report

Bro. Earl Youg, D.R., District Council and Brothers of the 5th District

Thank you for the opportunity to serve as a representative of the 5th District at our Bi - Annual Leadership Conference. This year the Kansa City, MO conference was one of the best I have attended and certainly one of the better conferences that the Fraternity has organized. As one of your representatives I was able to attend several workshops to include Chapter Reporter/Editor lead by Bro. Boykin our Editor To the Oracle and Protocol training. Both of these work shops were vital to my growth as the District Public Relations Director and provided many answers to questions and concerns I had as DDP R and we had as a District. With the information gained and learned we should be better to operate from a communications perspective and also from a District protocol procedure. Additionally I was able to mix and mingle with other Districts and promote the great things that our DR Bro Earl Young is promoting i.e. “One Omega” and I was able to help promote our candidate Bro. Ed Morant for Grand KRS in Philadelphia in 2014

The District Suite hosted informal candidate speeches as well as hosted old and new Friends of the 5th District. I have also posted a Photo Book on the District Web site for those that could not attend. Hopefully the Photo Book gives you a real sense of the Brotherhood and activity that we engaged in throughout our stay in Kansas City. I also attended both opening and closing Plenary sessions and have come away more encouraged about the direction of our great Fraternity. This was a very value added experience and one of the two highlights was to see Bro. Sam Ruff receive his 70 year pin and Brothers Bishop Carter and Charles Wilson receive their 40 year pins. It was an honor to serve Omega and the 5th District in Kansas City. !!
