

Greetings :

The local graduate chapters Gamma Phi and Omega Lamda Lamda are preparing to host the next 5th district meeting. We will host nearly 300 members and their families. We are extremely excited to show off our home and our unmatched hospitality to our guest and hope you can help us to make their visit a memorable one.

It is our pleasure to offer your organization a copy of our District Souvenir Book with your logo and company ad. We would appreciate your support.

I look forward to hearing from you regarding your support for this event.

Should you have any questions, please do not hesitate to contact me at 615-491-1949. Thanks in advance, for your consideration

Editorial Comment:

Brothers, we all have our faults and we should try to do better at something every day. We should try to help others improve. We assume that people know about our traditions and protocols, but often there is misinformation or lack of information so there is confusion or misunderstanding.

At our District Leadership Meeting last November some problems arose that many of you didn't realize. Most of us know that proper dress attire for formal meetings and certain district events that require brothers to wear a suit coat and tie in order to be admitted to the meeting or event.

Having been a member of the fraternity for over 40 years I like many of you are aware of this protocol. Younger brothers who are new to the fraternity often don't know this because it's not written down, has not been passed on nor was it included in the agenda (or Program Announcement).

In this day and time some younger brothers don't even own suits due to the current fashion trends. This issue caused some brothers who drove hours to attend the last District Meeting to be asked to leave because they were not properly dressed.

The other issue; the actual address of the November District Meeting was not on the agenda, email, or district announcements. This caused several brothers to be late.

These are simple but important items that we can improve in order to remind and teach younger brothers about proper protocol as we stay steeped in the traditions of Omega Psi Phi, Fraternity.

Bro. Bryan White, Fifth District Representative

BROTHERS OF THE LEGENDARY FIFTH DISTRICT:

I greet you in the name of the Supreme Basileus of the Universe. Likewise our beloved Founding Fathers: Bishop Edgar A. Love, Dr. Oscar J. Cooper, Professor Frank Coleman and Dr. Ernest E. Just. Let us be ever reminded that Friendship is Essential to the Soul.

Brothers, since taking office a mere 7 months ago, I have worked hard to continue to move the Fifth District forward with the goal of "Progress not Perfection". With the assistance of a phenomenal executive leadership team, I am proud to report that we are indeed moving forward in a decent and orderly fashion.

I have been pleased with the attendance and participation on our monthly conference calls. The calls have been productive and the information shared has been beneficial for all.

In the wake of the many atrocities that have befallen our brothers and sisters across the country, it is imperative that we remain diligent in our efforts to combat this injustice. In a similar vein, the attacks on the various institutions of higher learning have been equally devastating. Let us be mindful that we must, with proper planning and preparation, combat this evil. With great enthusiasm we must continue to do the work of Omega, we must continue to uplift the youth by providing worthwhile programs and quality mentoring experiences.

Again, I, Thank you, for allowing me to represent you and the Legendary 5<sup>th</sup> District.

Fraternally,

November 2015

Greetings Brothers,

AS we enter into fiscal year 2016 I would first like to thank you for the work your chapter has done thus far. I encourage you to make this year the best and most productive one to date! We will continue to experience significant change this fiscal year, new International programs and the new agenda they will undoubtedly push forward. With all this change one thing remains constant and that is Omega Psi Phi is without question the greatest Fraternity in existence! We, the Sons of Blood and Thunder, must therefore double our efforts to continue to grow our Fraternity's significance, brand and finances. It all begins with organization!

I will work diligently to establish connection with my committee leaders, and continue to connect with those other chapter officers. I will do this initially by use of conference calls. We currently have many chapters that do not routinely check their chapter Basileus and KRS email accounts. So I will establish ways to seek out what your chapters are doing as it relates to our Mandated Programs

Finally my brothers, I want to be the "Go to Bruh" for all questions your chapters have concerning the business of District so that the DR can manage his programs effectively. So please do not hesitate to give me a call, text or email and I will attempt to get you an answer. The answers aren't always positive, but I will assure them to be accurate. I am at your service.

Giving honor to God, our Supreme Basileus, humbly submitted,

Samuel P. McKenzie

## International Undergraduate Summit

The International Undergraduate Summit was held January 20-24, 2016 in Atlanta, GA. There were a lot of activities on the agenda for the summit. The one item not on the agenda and no one could plan for was the weather. A major storm came through the East Coast causing havoc for those, trying to get in and out of the city. There were major delays and flight cancellations due to the inclement weather.

The undergraduate chapter advisors were instructed to contact as many of the brothers that had not arrived, but were on their way and to turn around and go back home.

Brothers of the *Legendary Fifth District:*

I greet you with the love of the *Supreme Basileus* and the Friendship of our Founders. It has been an exhilarating seven months in this great position serving the *Legendary 5<sup>th</sup> District*. I want to thank the *DDPR Bro. D’Wayne Young* for continuing the work of the *LEGEND*.

Brothers, in the past 7 months, your *DKRS* has been hard at work executing the administrative vision of our *22<sup>nd</sup> District Representative Bro. Bryan White*. I have brought forward many ideas that the *DR* and executive leadership have approved. The office of the *DKRS* is as strong as ever and the affairs of the *5<sup>th</sup> District* are all in order and in compliance with our *International Headquarters*.

I have undertaken 2 projects that I believe will not only support our beloved *District* but also enhance our relationships. 1. The *KRS Project* and 2. The *DKRS Archive Project*. These projects will pair a *Graduate and Undergraduate Local KRS* together to help each other with the administrative (work) of *Omega* and I have begun to archive in the *DKRS records all* of our *5<sup>th</sup> District business* using current technology. I am excited to discuss these more in depth at our *68<sup>th</sup> District Meeting* in *Nashville, TN*.

I have been pleased with our attendance on our quarterly *DKRS* calls. They have been most productive and have kept us all on the same path. I have represented the *5<sup>th</sup> District* on the *Grand KRS* calls where the *5<sup>th</sup> District* has been highlighted multiple times for our work (*Best Practices*) relative to the *District Officer Transition Manual* and the *Omega Will*. Two documents that have been adopted by other *Districts*. These are only a few updates of the office of *DKRS*. I look forward to *March 2016* to fully update the *Legendary Brotherhood* of our great successes in the *Legendary 5<sup>th</sup> District*.

Fraternal Regards,

*Que Snider*

Erskine Oglesby, Jr.

5<sup>th</sup> District Keeper of Finance

Greeting Brothers in the name of Omega,

It is my honor to serve as your 5<sup>th</sup> District Keeper of Finance.

In my seven months of service, I have started positioning our finances so that we can grow as a district with a coordinated effort from our District Council leadership.

As we prepare for our upcoming district meeting, you'll be presented with a set of new policy and procedures that will make us a more efficient operation and make every member accountable for our success.

We will institute a business model that will assure that future officer transitions will be seamless; our operating systems are efficient and applicable to today's business environment.

I'm looking forward to seeing each of you at our district meeting in Nashville on March 30<sup>th</sup> – April 3<sup>rd</sup>.

May God continue to bless you, your families and our great Fraternity.

Thanks,

*Erskine*

# KAPPA IOTA CHAPTER CELEBRATES 70TH ANNIVERSARY

The brothers of the Kappa Iota Chapter exhibited true Omega spirit with five days of Achievement Week activities in conjunction with the chapter's 70th anniversary.

Events began on Saturday, November 7th with a fish fry. 'Ques For Christ,' a praise and worship service which is open to the public, was held on Tuesday at Second Missionary Baptist Church (where Brother Rev. Paul McDaniel, Sr. is Pastor Emeritus.) On Veterans Day, brothers gathered at the Chattanooga

National Cemetery to conduct a memorial service in honor of Omega men who served in the Armed Forces. Kappa Iota brothers gathered on Friday to socialize and kickoff the culminating event for Saturday — the Achievement Week Awards and Scholarship Ball. Brother Gary James chaired the formal gala that was held at the Historic Chattanooga Choo Choo Hotel and featured live entertainment by the Day Break Band. Several dignitaries were in attendance including U.S. Congressman Chuck Fleischmann (3rd-TN), Chattanooga Mayor Andy Berke and our own 5th District Representative Bryan White. Kappa Iota awarded three brothers for Lifetime Achievements: Floyd Eaves—65 Years of Service; Rev. Paul McDaniel—67 Years of Service; and Sullivan Ruff, Jr. —72 Years of Service. Brother James received Omega Man of the Year and the chapter honored local businesswoman and community leader Dorothy Lee Grisham as Omega Citizen of the Year.

### The Legendary 5th District

D'Wayne S. Young

District Director of Public Relations

Greeting Brothers of The Legendary Fifth District

Happy New Year!

As I wrap up my first year as your District Director of Public Relations I pray that this publication finds you well. I want to take a quick moment to remind you of my role as DDP. As most of you know in the district for years I have been known as "D Cameraman". Capturing memories of brothers and events, for me this has been a passion and a work of love. When I take pictures as "D Cameraman" all you have to do is smile, and I'll do the rest to capture a lasting memory. It has often been said that a picture is worth 1000 words, so you look at this publication there will be several thousand words via photographs.

It is my job to inform you of information and events taking place in our district. Since I can't be at more than one place at a time, I have to rely on you my brothers, to get me the information so I can get it out. In a perfect world this would be so easy, but our world is not perfect and this is not easy. I have not received very much information from the different chapters to put in this publication *The Legend*.

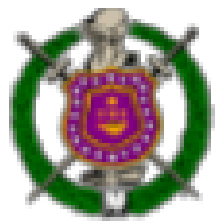

I will work hard to publish the next copy of *The Legend* in a timelier manner. Along with my work I will need your help in making this a reality. Please continue to support our district leadership as we work to move the fifth district forward. I invite you to join me and my team to make 2016 an incredible year.

## LIVE MANHOOD

Dear Brothers of the Legendary 5th District:

It is a privilege to greet you once again in the name of our Lord and Savior Jesus Christ. And, it is a privilege to extend this message during Omega's Achievement Week celebrating 104 years of the greatest fraternity ever to exist as a body of college educated, community responsive, and mission minded Christian men to wear the colors of purple and gold. We have been called, and set aside for a special work, called by our Creator, God Jehovah, to be true men of the cross. Omega Psi Phi Fraternity, Inc. was established upon the principles of Christianity. We are called to be real men, not men of the world who today aren't sure of what they are no less who they are, but we are called to be the model of Manhood of which is one of our Cardinal Principles being Manhood, Scholarship, Perseverance, and Uplift. Manhood is the evidence of the male gender being accountable and responsible as real men who contribute to culture, education, disciplines, morality, stability, spirituality, support, security, and welfare to the church, family, and community. Manhood is mandated as a model of the male gender made in the image of God.

Our community is suffering from the lack of Manhood. Our children are starving from the lack of Christian nurturing and a diet of Biblical Parental Guidance that was intended to be served from a Christian Family experience. The world is promoting ungodliness instead of the ways of Jesus the Christ. Our founding Fathers-Coleman, Cooper, Just, Love, are that model for true manhood we must promote daily as Omegas. Brothers, it's time to fulfill that call: promote and live our Cardinal Principles; but first, LIVE MANHOOD.

# Iota Beta 45th Anniversary University of Tennessee

The Iota Beta Chapter of Omega Psi Phi Fraternity Incorporated hosted their 45th anniversary at the University of Tennessee-Knoxville during homecoming on November 14, 2015. Brothers came from far and wide to attend the anniversary celebrations.

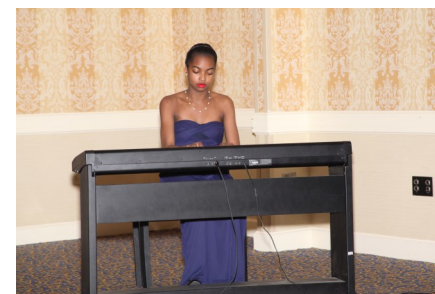

It was great for me to see so many brothers I had not seen for years. I would like to thank all the brothers that participated in organizing this event. At the breakfast, brothers informed us on the status of Iota Beta and how we can continue to make this chapter grow and sustain its existence. There is a contact database that was developed with updated information on IB chapter brothers.

The Clint Boyd Memorial Scholarship Program was announced at the breakfast, more details will be given as they become available.

Article submitted by D'Wayne S. Young

In spite of the cold and snowy weather, more than 125 brothers registered for the 67th Fifth District Meeting that was held March 26—29, 2015 in Lexington, KY at the Griffin Gate Marriott and Spa. The Psi Tau Chapter hosted the conference with Brother Robert Jefferson as District Marshal. Kappa Iota Chapter Talent Hunt contestant Simone Edwards will be going to

Jacksonville, FL to the Leadership Conference. Three undergraduate brothers District Scholars received scholarship awards KY and TN winners received purple blazers were the first to receive purple blazer which will become an annual tradition for award recipients.

Saturday evenings at the founders banquet the newly elected district council was installed. New council members are DR Bryan White, 1st Vice DR Sam McKenzie, 2nd Vice DR Carlton Randolph, KRS Quincy Snider, Keeper of Finance Erskine Oglesby, Jr. and DPPR D'Wayne Young. Officers reelected to the council include District Chaplain Bishop E. Carter, III, District Counselor Christopher L. Taylor, and Keeper of Peace Dennis Small along with Immediate Past DR Earl Young.

Saturday morning started a full day of information for the brothers of the district. The DR informed us going forward this leadership meeting will be held the first weekend of November. This is due to the changes made in the MSP program. The new MSP directives state that we must get on-site training, before we can participate in the intake process. The on-site training is only good for one year always ending on October 31. The online training will last for five years and you must have both before you can have and be part of the MSP process in any chapter. Several brothers attended a leadership conference to get their MSP on-site training, to help facilitate an intake at their chapter before our next district meeting.

Several district Council members gave their reports about their respective offices.

# Fifth District Leadership Meeting

The Fifth District Fall Leadership Summit was held in Nashville Tennessee November 6- 7, 2015. Friday evening there was a working session of the district council in preparation for Saturday's meeting. During this session we received the sad news that Brother Lee Bowman entered Omega chapter. Our district chaplain brother Bishop Carter prayed and asked us to continue to keep his family in prayer.

# LOVE'S HEALTHY START FESTIVAL

Saturday August 8, 2015

Historic Hadley Park

Love's Healthy Start Back to School festival was held Saturday August 8, 2015 at historic Hadley Park in Nashville Tennessee. The festival was hosted by brother and state representative Harold M. Love, Jr. in partnership with several prominent sponsors. Sponsors included Gamma Phi Chapter of Omega Psi Phi Fraternity, Inc., Tysons Food, Advance Financial, Tennessee State University, Fisk University, Meharry Medical College, Alpha Kappa Alpha Sorority and several other community based organizations.

The festival included 1,000 backpack giveaways to students, music, free haircuts, food, health screenings, information booths and games. Tyson's Food served 1,400 healthy grilled chicken sandwiches. Gamma Phi Chapter of Omega Psi Phi Fraternity Inc. provided pencils, pens, notebook paper, crayon and other school supplies to children and parents. Omega's also assisted with handing out student backpacks, assisted with food preparation and serving.

Brother and state representative Harold M. Love stated that "this event is designed to put Love back in the community while helping students start the school year off on the right foot". Children and families came from across all communities in Nashville to participate in this event to show unity from people of all ages.

# Fifth District Undergraduate Summit

September 26, 2015

The Fifth District Undergraduate Summit was held in Nashville Tennessee at the Meharry medical College. The summit was designed to inform and educate the undergraduate chapters about the internal workings of Omega Psi Phi Fraternity.

Our young brothers who are initiated into the fraternity as undergraduates have to take on the roles and responsibilities mandated by the international headquarters. The offices they hold as undergraduates are the same as graduate chapters. These brothers are required to fill out forms, pay fees, hold meetings, adhere to the mandated programs while attending college.

The summit's purpose was to share information with our young brothers on their roles with the fraternity. Bryan White our district representative allowed the other district council members to share information on policies and procedures for the respective offices. District council members present included: First Vice DR Sam McKenzie, Second Vice DR Carlton Randolph, District Keeper Records and Seal Quincy Snyder, District Keeper of Finance Erskine Oglesby, Jr., Director of Public Relations D'Wayne Young, Keeper of Peace Dennis Small, 68<sup>th</sup> District Marshall Julius Witherspoon, and John Mitchell.

# Epsilon Phi

October 23 - 25, 2015 the Epsilon Phi chapter celebrated its 90th anniversary with food, fun, and fellowship. The grand celebration started on Friday with several brothers coming together to play golf during the early afternoon and later joining other brothers, friends, and family at the Omega Complex for registration and a mixer. The celebration continued on Saturday with a cookout during the afternoon followed by the 90th anniversary celebration banquet that evening. The brothers of Epsilon Phi concluded this epic weekend with Sunday worship service at Berean Baptist Church with Epsilon Phi's own Rev Dr. Ed Parker and his congregation. The Epsilon Phi chapter was founded In May of 1925 and later receive its official chartered in October of 1925 and during the last ninety years the Epsilon Phi chapter has sponsored food drives, clothing drives, youth academic and athletic mentoring programs, entertainment events, as well as hosted and or sponsored various events to raise community awareness to ALS, domestic violence, fatherhood initiatives, numerous health awareness symposiums, voter registration drives, and other civic engagement, and community outreach programs.
